Most people that visit GCT for performances are quite surprised by the quality and can't believe it is a volunteer non-profit community theatre. We are really excited with our growth and renovations over the last few years, and now in our 9<sup>th</sup> year in downtown Gettysburg, we are so proud to show off our theatre.

GCT is a small intimate 80 seat blackbox theatre located within the first block of Lincoln Square in the heart of historic downtown Gettysburg, PA. We are ADA compliant with a ramp in the back of the building. We offer complimentary popcorn, lemonade, coffee, water, and air conditioning.

Walking distance from the downtown restaurants, gift shops and hotels, GCT is an ideal spot

to visit for a nice break in a relaxing air-conditioned theatre.
