We look forward to your visit at the Wine Shop for First Friday as we celebrate Dad. Wine slushies will be on the menu for \$4 a glass. We'll be featuring two flavors for the evening but since it's a surprise you'll just have to stop in to see which flavors we went with. In case you haven't heard, we also now serve sorbet made from our wine. This frozen treat is prepared here at our shop and we serve each flavor by the dish for 6.00. Our featured artist for June is Ronald Bevilacqua. This is Ron's second time showing with us and we are happy to welcome him back. His amazingly detailed pencil drawn portraits are something you have to see for yourself. Ronald's work will be on display for the entire month. While here don't forget to check out our gift items perfect for any Dad on your list. Please check out our website or Facebook page for additional information or specials. We look forward to seeing you soon.
